KUNDARNAD SEVA SAMITI, KUNDARGI

Post Pachapur
(Belgaum Dist)

Dated: 20th Nov. 1961.

The Hon'ble Minister for Forests,
Government of Mysore, Mysore.

Sub: Allotting an area of 20 acres of villages Kundargi and Dasanahatti of Gokak Taluka (Dist. Belgaum) for Kundarnad Seva Samiti, for starting constructive work especially for the welfare of Denotified Tribes.

Sir,

The Kundarnad Seva Samiti, Kundargi, is a Public Trust registered under the Bombay Public Trusts Act, 1950, with the object of starting and conducting educational institutions, cultural organisations for the welfare of the villagers in Kundarnad and especially the people of the Denotified Tribes who number about 40,000 in Kundarnad and roundabout.

2. Since there are no educational facilities for these people, the Samiti has decided to start different types of educational institutions in this area for the benefit of those Tribes. Generally, those people have no facilities for education and before Independence no attempt was ever made to give them any sort of education. Thus they are leading an unsettled life, mainly depending on the forest wealth, which they misuse and stealthily sell. Very few of them have taken to agriculture. Since there are no middle schools or high schools in this area, educationally they are very backward. In order to make these people educated and make them lead an honourable life, the Samiti has decided to start some educational institutions, which will also serve as a cultural centre for round-about settlements. In this connection, the Hon'ble Minister of the Central Government-Shri. D.N. Datar and Hon'ble Shri. Rachaya, Minister, Mysore State, were contacted and they were pleased with the idea and have assured all help from the Centre and the State.

3. To start these activities, naturally some area for construction of school buildings, residential quarters for teachers, play-ground, etc., is required. Therefore, it is decided to approach you to give the Samiti an area of 20 acres (Forest Survey No. 104-Kundargi, area 10 acres; Forest Survey No. 5, Dasanahatti, area about 10 acres). Survey No. 104-Kundargi is given on hangami lavani for cultivation but entire land being stony, it is not cultivated. Survey No. 5 is under the Forest Deptt. There are no trees on these lands nor any crop is grown. Those lands adjoin each other and this patch is in the centre of the Kundarnad area. This area touches the Belgaum-Gokak Falls road via Hudli and Pachapur and thus is communicable. This is having salubrious climate and is ideally suited for such a centre.

This area known as Kundarnad has a large number of social workers and many of them had taken active part in the Freedom movement. They now express their desire to devote their energies for such educational and social work. Hence it is requested that you would be pleased to kindly disassign this area from the Forest Area and give this land free to the Kundarnad Seva Samiti as it is required for a public cause.

Yours faithfully,

(Anna Guruji alias B.Y.Deshpande)
Chairman.

Ref: Your Memo No.AFD 11424/61 dated 23-12-61 and AFD 11517/61 dated 27-12-1961.

The Kundarnad Seva Samithi, Belgaum District has applied for grant of 20 acres of land in F.S.No.104 of Kundargi and in F.S.No.5 of Dasanahatti for starting educational institutions etc., for the welfare of the villagers in Kundarnad and expecially the people of the Denotified Tribes. In this connection a copy of letter No. FOP/GFL/BGM/1843-67 dated 16-2-62 from the Conservator of Forests, Belgaum Circle, along with its accompaniments is enclosed for perusal. It can be seen that out of 20 acres applied for grant, only an area of 5 acres in F.S.No. 5 of Dasanhatti is available for grant. The area is reported to contain no tree growth except lantana yielding two cart loads of fuel. Since the area is required for a good cause I agree with the Conservator of Forests and recommend disforestement of 5 acres of land and to assign the same in favour of the applicant.

The two applications are returned herewith.

Sir,

Subject:- Allotting an area of 20 acres of villages of Kundargi and Dasanhatti of Mokak Taluka for Kundarnad Seva Samiti for starting constructive work, especially for the Welfare of Denotified Tribes.

The 2 applications dated 20-11-1961 from Shri Annu Guruji Alias B.Y.Deshpande Chairman of the Society received direct from Government under their orders No.AFD/11424/61 dated 22-12-1961 and No.AFD 11517/61 dated 27-12-1961 for enquiry and report are sent herewith. The Kundarnad Seva Samiti requests for grant an area of 20 acres of land for construction of School buildings, residential quarters forteachers and for play ground etc. The Divisional Forest Officer, Belgaum has fully dealt with the issue of the grant of land in his letter No.FOB/GFL/435/166 dated 29-1-1962 (copy enclosed). In resubmitting herewith the applications received under your Nos. FOP/GFL/BGM/1843/67 dated 5.12.1961 and even number dated 3.1.1962. I have to state that the Kundarnad Seva Samiti requests for grant of an area of 15 acres from F.S.No. 104 of Kundargi and F.S.No.5 of Dasanhatti for starting and conducting educational institutions for the Welfare of the Schedule tribes. The area applied for falls in the organised forests of Gujnal Range containing no tree-growth ~~ex~~ except Lantana yeilding two cart loads of fuel.

from F.S. No 104

Out of 15 acres applied for 10 acres falls in the Hangami lagan Plot released for cultivation. It is reported by the Range Forest Officer, Gujnal that out of the area of 30 acres released for cultivation in the year 1935 as per Hangami lagan lease No.32 of Pachapur Round, 10 acres has not been brought under cultivation by the lessees on account of its rocky nature although assessment at Re.1/- per acre is being recovered for all the 30 acres and the same area is now applied for by Kundarnad Seva Samiti for the construction of School buildings, residential quarters for teachers and Play ground etc. Since the lessees have failed to bring the land under cultivation, the uncultivated area of 10 acres may be resumed to Government by giving notice to the Principal lessee. The remaining area of 5 acres applied for, falls in F.S.No.5 Dasanahatti.

Since the Kundarnad Seva Samiti intends to start the educational institutions for the benefit of the tribes residing in the locality, it may be considered for the release of area applied for. The sketch of the areas applied for ~~is~~ are enclosed herewith.
